IOWA MAN WORTHY OF RESPECTFUL HEARING

For more than twenty years George Hyde has been a resident of Maquoketa, Iowa, where he enjoys the respect of the entire community. When a man of Mr. Hyde's standing makes a

statement, it is worthy of careful consideration. In a recent communication he says: "After years of suffering from chronic stomach trouble, and trying nearly every known remedy, as well as treating with some of the best physicians in the country, I found myself a nervous wreck. My appetite was gone, and the little I did eat distressed me. I could not get a sound night's sleep, and arose in the morning feeling tired and worn out. My failure to secure relief discouraged me, and I began to feel that there was little hope of my ever again enjoying good health."

"Some time ago, however, I became interested in some newspaper articles dealing with the ideas and beliefs of L. T. Cooper. His theory that the stomach is responsible for the state of one's health, either good or bad, impressed me as being logical and induced me to give his New Discovery medicine a trial. The first bottle helped me wonderfully. I continued the treatment, and improved rapidly. Four bottles made me well. I am sixty years of age, and today feel younger and enjoy better health than in the past ten years."

Cooper's New Discovery is a boon to stomach sufferers. I sell it.—thos. J. Chenoweth.

Wood and Douglas McDowell as a Persuasive Committee to meet with the State Board of Equalization in a wrangle as to the elimination of the proposed 20% tax increase. They hope to succeed in having the tax greatly reduced, at least.

JAMES HASSON.

Another old and esteemed resident in the person of James Hasson passed away yesterday afternoon at 2:45 o'clock at his home in West Second street, after a short illness with pneumonia, aged 79.

The deceased was born in Londonderry, Ireland, and came to this country when a youth, and for over sixty years had resided in this city. He was a big-hearted, genial man, ever ready to do a kindly turn for those in distress, needing sympathy and aid. He was a good husband and a devoted father. He was preceded to the grave by his faithful wife over a year ago.

He is survived by eight children, four sons and four daughters—James, Henry, Frank and Miss Tillie Hasson of this city, Charles Hasson of Denver, Col., Mrs. John Ferrell of Peoria, Ill., Mrs. John Welsh of Cincinnati and Mrs. John Howley of Chicago.

Funeral Sunday afternoon at 2 o'clock from St. Patrick's Church, with services by Rev. Father P. M. Jones.

Interment in Washington Cemetery.

MRS. HENRY BURK.

Mrs. Anna Marie Burk, nee Kreutz, beloved wife of Mr. Henry Burk, died this morning at 1:45 o'clock, at the age of 53 years, 6 months and 15 days, after a lingering illness of a complication of diseases, of which she was a great sufferer, but born patiently until the end came.

Besides a husband, two sons, Harry and Albert Burk, and three grandchildren, to mourn her loss, she leaves three brothers, Messrs. George and Charles Kreutz of the county and Mr. Jake Kreutz of Covington, and one sister, Mrs. Emma Fichter of Cincinnati, and a host of relatives and friends.

The funeral arrangements will be announced later.

TUMOR OF YEARS GROWTH

Removed by Lydia E. Pinkham's Vegetable Compound

Holly Springs, Miss.—"Words are inadequate for me to express what your wonderful medicines have done for me. The doctors said I had a tumor, and I had an operation, but was soon as bad again as ever. I wrote to you for advice, and began to take Lydia E. Pinkham's Vegetable Compound as you told me to do. I am glad to say that now I look and feel so well that my friends keep asking me what has helped me so much, and I gladly recommend your Vegetable Compound."—Mrs. WILLIE EDWARDS, Holly Springs, Miss.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy—tumor. If you have mysterious pains, inflammation, ulceration or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation, but try Lydia E. Pinkham's Vegetable Compound at once.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and such unquestionable testimony as the above proves the value of this famous remedy, and should give everyone confidence.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

HER ROMANCE.

A stonning girl once passed my way,
My ardor I could not restrain,
Said I: "It is a pleasant day,"
Said she: "I fear it's going to rain."
(And that was all I said,
And that was all she said.)

Her beauty troubled my repose,
And when she passed again my way,
Said I: "Will you accept this rose?"
Said she: "Oh, what a sweet bouquet!"
(And that was all I said,
And that was all she said.)

Two days passed, and again we met,
I never saw a maid so fair,
She said: "Your flowers aren't withered yet."
Said I: "I envy them your care."
(And that was all she said,
And that was all I said.)

Then I resolved, so sweet was she,
That I would have her for my wife.
Said I: "Oh, will you marry me?"
Said she: "What, I? Not on your life!"
(And that was all I said,
And that was all she said.)

(No occasion for any further conversation,
Was there?)

**MRS. BROWN AGAIN

**'Handsomest Woman in Kentucky'
Sues Estate of Robert Hoe in
New York for \$150,000**

NEW YORK, May 11th.—Mrs. Margaret Johnson Brown, who was known as "the handsomest woman in Kentucky" and whose husband, Lewis Brown of Lexington and Maysville, asked a divorce, is again in the limelight today as the claimant for \$150,000 against the estate of the late Robert Hoe, the millionaire printing press manufacturer.

The proceedings are on before Surrogate Thomas, and are defended by Mrs. Robert Hoe. Mrs. Brown's claim is sensational. She gambled on her life for \$150,000, as the bonds securing the debt provide that the claim should hold against the estate on condition that Mrs. Brown outlived Hoe, but would lapse if she died before he did. The attorney refuse to explain this feature of the case.

SEE What the Postmaster General Says!

PUT UP MAIL BOXES

The Postmaster General Thinks Every Family Should Have One at Their Front Door

One of the suggestions of the Postmaster General for economizing in his Department is that people put up little boxes or other receptacles at their front doors so that the Postman will not have to stand and wait until somebody answers the bell. A great deal of time is wasted by the Postman having to wait. It is in the interest of an efficient and economic service to provide these little conveniences. And then they are not only conveniences for the Postman; they are also for the people of the house. "There is the mail man," says the housekeeper, with her hands in the dishwater or mixing the dough for the family bread; "run, Johnny, to the door," and Johnny is down in the back yard trying to lasso a black cat, but by this time the mail man, thinking no one is at home, goes on with the expected letter from Mary, who is visiting over in Chicago, and so the family is deprived of the pleasure for several hours, simply for the lack of a neat little box at the front door.

In anticipation of this announcement we have purchased a number of Mail Boxes of the latest approved pattern. Just the thing. Call and see them.

WHY PILE SUFFERERS SO OFTEN FAIL TO GET RELIEF

Science is getting to the bottom of everything, including the cause and cure of piles. The brightest doctors now admit that piles are caused internally and can be cured only by internal treatment. Dr. J. S. Leonhardt some time ago perfected a remedy in tablet form—Hem-Roid, which cures the cause of piles, and therefore cures permanently. It is sold by J. James Wood & Son, Maysville, Ky., under money-back guarantee. \$1 for 24 days' treatment. Dr. Leonhardt, Co., Station B, Buffalo, N. Y. Write for booklet.

MRS. ROBERT THOMPSON.

On April 15th, 1910, God called home from our midst Mrs. Robert Thompson. While we realize His infinite wisdom, we can but feel that until we, too, have entered that better land, where all seeming mysteries are explained, can we understand why she was taken from us. When perplexities, trials and suffering came to her she learned the one great lesson, "Faith in God," and realized "that His grace is sufficient." In her last illness, by her patience and submissiveness to God's will, she was a benediction to many. He it

Resolved, first, that in her death the Ladies' Aid Society of the Second M. E. Church, South, Maysville, Ky., has lost a loyal member and a true friend and has suffered an irreparable loss; and, while we mourn her loss, it is not as those who mourn without hope, for she left behind a bright testimony that enables us to believe she has eternal happiness with God.

Second, That we extend our sympathy to the bereaved, trusting they may find comfort in our Savior, who will comfort them in their hours of sadness as He sustained her in her suffering.

Third, That her sweet, Christian life, which is worthy of imitation, may be an example for each of us, and that in our memories she is retained as not dead, but alive in Him.

Sample Helps Frail Women

So many women are dragging out weary lives just because their digestive organs are weak. The result is poor circulation, nervousness and the verge of invalidism. It is often very unnecessary and the woman's own fault.

The first thing to do is to look to the welfare of your bowels. There the trouble usually lies. All physicians know that a large percentage of women are habitually constipated, and from this result indigestion, piles, weariness, etc., that women constantly complain of. But there is no use taking "female remedies" and things of that kind until you have started your bowels to moving. You will find that when the bowels move regularly once or twice a day all your petty ills will disappear. Take a good mild laxative tonic like Dr. Caldwell's Syrup Pepsin for awhile and you will find yourself rapidly getting better and stronger, your bowels will regulate themselves and work at stated times, and then your headaches and dizziness will disappear. Don't take strong cathartic pills or salts, but just such a mild and pleasant-tasting remedy as Dr. Caldwell's Syrup Pepsin.

You can obtain a bottle of your drug-gist for fifty cents or one dollar, and either size may be enough to permanently cure you. Thousands of women keep it regularly in the house and will no longer be without it, as it cured them and can be used with safety by every member of the family, down to the youngest child, but if you have never used it take the advice of Mrs. Earl S. Cox, 409 Twenty-fifth street, Moline, Ill., and Mrs. Ellen Dungan, Muncie, Ind., and send to Dr. Caldwell for a free trial bottle, as they did, and learn for yourself what it will do in your own case. That it will cure you, as it did them, there is no doubt.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
